

# Graduate 12 month journey at Concentric

Join us on a 12 month journey that incorporates support and mentoring from discipline specific mentors as well as other allied health professionals and senior Concentric staff to prepare you to become an outstanding allied health therapist. At Concentric, we believe everyone has the right to access quality care, and as an allied health graduate you too can contribute to this goal.

We want to be able to care for 10 million people by 2030 and would love for you to come with us on this journey.
