

PRIVATE PHYSIOTHERAPY AT CONCENTRIC St Ives

Musculoskeletal physiotherapist Andre Chu has joined the team at Concentric St Ives, and he has immediate capacity to see private patients.

Andre has worked across the globe in many areas of physiotherapy including private practice (musculoskeletal and sports area), hospitals (in and out-patient) and in-service training.

He also worked as a physiotherapy educator and coordinator, and offering second opinions to allied health teams and rehabilitation specialists.

Andre's areas of interest include:

- complex pain
- spinal rehabilitation
- post operation rehabilitation
- golf injuries and rehabilitation
